To Whom It May Concern,

It is with great pleasure that I am writing this letter in support of Joshua Squier. I have had the pleasure of knowing him for the past few years.

Joshua is a student in my class-shop at Vinal Technical High School. The Information Systems Technology shop at Vinal Tech is a challenging shop. The students learn Networking, Computer Programming, Hardware troubleshooting along with Adobe and Microsoft Software applications, and theory.

Joshua has earned industry recognized certifications. He is certified by Adobe in Visual Communication using Adobe Photoshop CS6, Graphic Design and Illustration using Adobe Illustrator CS6, Visual Design Specialist CS6 and Print and Digital Media Publication using Adobe InDesign CS6. He is also certified by Microsoft as a Microsoft Office Specialist, in both Excel and PowerPoint.

In addition to learning these programs, he applies what he has learned by doing projects for the school and the community.

He will be successful in the endeavors that he chooses. His hard work and perseverance will be his best asset. If you have, any questions please feel free to contact me.

Sincerely,

RoseAnn Vaughan
