Letter of Recommendation For Josh Squier

To Whom It May Concern,

My name is Matt Bryers, I am a martial arts instructor and academy owner. Josh Squier has been a student, friend and now employee at my school the Cage JSA.

Josh is one of the best young students I have ever had. He is focused, listens to direction and asks intelligent questions.

He quickly became part of a team and is friends with everyone. His ability to connect with people and genuine passion to help them is unique.

Josh has also been a huge part of the success in our kids martial arts program. 3 days a week Josh teaches children ages 5-12 the art of Jiu-Jitsu. He shows them how to do techniques, problem solves when the kids need help, and inspires the kids to be good martial artists.

We have also just hired Josh to work as a Client Manager. This is a big position that requires Josh to work closely with our clients and ensure that their experience is positive one.

Lastly, Josh is one of my main "ukes". An Uke is the person who receives the move that I am demonstrating. The Uke is a position of respect due to the fact that the student willingly takes "a beating", but must have the mental toughness and confidence to receive. This says a lot about Josh, because most people cannot be an Uke. It takes someone who can handle deal with pain, discomfort and hardship - yet get up and move forward. This is a sign of a good man.

I see a lot of potential in Josh, even as a young man. I believe he will be able to handle any job, task or adversity thrown at him with a level head and make intelligent decisions.

Sincerely,

Matt Bryers
