Portland, CT 06480

Dear Rick Trojanowski,

I am writing this to thank you for your time and the opportunity Friday to interview for a position at Twist of Fate Spinnery, llp. As I mentioned in the interview, I have been involved in agriculture and fiber processing since I was a child. I am now more confident than ever that I would be a great fit for the Mill and would excel there.

I look forward to hearing from you. Thank you one last time for your time and consideration.

Sincerely,

Joshua L. Squier
